Probably the most beautiful jump ever!!

Jump in the pristine valley of Lauterbrunnen. Scenic flight between the walls of the valley, see the glaciers close before jumping from ~14'000ft/4000m back down.

Important Information

Registration: Please book here at www.skydiveinterlaken.com If you have a voucher please reserve your spot by email info@skydiveinterlaken.ch

Weather/ changes: Weather in the Alps is very unpredictable, and forecasts can be inaccurate. Therefore, if we have any doubts about the weather for your skydive, we will contact you the evening before your jump. If you do not hear from us, this is a good sign and we will meet as agreed. For safety reasons, a postponement can also be pronounced on site. We ask for your understanding. If you have any questions or uncertainties, you can always contact us by phone or e-mail. We understand that this experience is unique to every person, therefore we are very flexible in dealing with postponements.

Meeting time: Your registered time is also your arrival time whether you want to meet us at our shop (Ey 183, 3822 Lauterbrunnen), or you would like to be picked up at the gas station next to the train station Lauterbrunnen. We offer no pickups from Interlaken.

Free on-site parking/Pick-up: If you would like to arrive on your own, our address is: Ey 183, 3822 Lauterbrunnen. In case you have a pick up we meet at the gas station next to the train station Lauterbrunnen. Due to numerous pickups with our van, we might be a little bit late - but we ask for your punctuality.

Duration: You should plan 2 to 3 hours (depending on weather and group size).

Bring along: Comfortable clothing, suitable for the weather (gloves are recommended in winter) and closed shoes e.g. sneakers (no hiking boots).
Spectators are very welcome, but please let us know in advance.

More flight time with Lauterbrunnen PLUS: Fancy some additional helicopter flight time? Before your skydive (and in addition to the regular scenic flight), fly with the helicopter over the Jungfrauoch "Top of Europe" and the Sphinx Observatory and get an incredible view over the largest glacier in Europe - Aletsch glacier! The jump over the Lauterbrunnen valley is then about 300m/1000ft higher than on the "normal" jump, thus extending your freefall time. This offer can be booked on the spot for an additional CHF 150.-

Introduction/Equipment: We provide you with obligatory safety instruction, and you will be equipped with a jumpsuit, harness and goggles.

Program

Arrival at our office: Fill out paperwork, book your video or/and pictures options, get instructions and equipment.

Drive to the Heli base Air Glaciers: The helicopter pad is located 2 minutes drive away from our office.

Scenic flight: A helicopter scenic flight of about 10 minutes awaits you. Fly close to the glaciers of the mount Jungfrau with the unique view of the Jungfrau Region and Lauterbrunnen Valley.

Freefall: The freefall takes up to 45 seconds (depending on weight and size).

Parachute ride: After the parachute opens at 1'500m above ground, you have about 8 minutes to enjoy the view before landing safely on the landing field at Air Glacier.

Photos/Video: You will receive your personal video and/or photos about 30 minutes after returning to our office by email. You can then watch your movie on the big screen.

Return transport: The return to the train station Lauterbrunnen transport is free of charge. Please note that we try to bring the whole group back together. We thank you for your patience.

Things to know
