

Eiger Jump Grindelwald – The Original Skydive Interlaken Experience

Take on the most iconic skydive in the Swiss Alps with the epic Eiger Jump—Skydive Interlaken's original and most legendary experience.

Your adventure begins with a breathtaking helicopter flight to Grindelwald, rising over the Lütschental valley and Männlichen, on your way to the summit of the Eiger. Circle behind the Eiger, then return to the open valley with the famous North Face right beside you. You'll jump from around 14,500 feet and freefall at up to 200km/h, with the North Face rising up next to you and the Grindelwald valley below.

This jump delivers it all: a scenic flight, an adrenaline-pumping freefall, and a spectacular parachute flight into the Grindelwald. If you're looking for the ultimate mix of adventure and scenery, this is the one.
