

SKYDIVE INTERLAKEN HELICOPTER SKYDIVE JUNGFRAU JUMP LAUTERBRUNNEN

Jungfrau Jump: Skydive at the Top of Europe

Pair one of the world's most beautiful skydives with an unforgettable helicopter flight to **the Jungfrauoch – Top of Europe**. The Jungfrau Jump is a high-altitude, high-adrenaline adventure that delivers it all: stunning views, pure adrenaline, and a spectacular descent through the heart of the Alps.

Your journey begins with a scenic helicopter ride through Lauterbrunnen Valley, soaring between steep cliffs, past waterfalls, and over glaciers. The flight takes you around the Jungfrauoch, past the Sphinx Observatory, and above the starting point of the Aletsch Glacier—setting the stage for an epic jump.

After freefall, your parachute ride takes you back down into the Lauterbrunnen valley, where you soar past the famous Staubbach waterfall, before touching down gently on the valley floor.
