

Experience the magic of Interlaken from above with an unforgettable helicopter tour.

From the moment you lift off, you'll be swept away by the stunning beauty of the Swiss Alps. Soar toward the legendary peaks of the Eiger, Mönch, and Jungfrau, guided by a skilled pilot who knows these mountains like the back of their hand. As you climb higher, take in breathtaking views of sparkling glaciers, the world-famous Jungfrauoch – known as the Top of Europe – and the dramatic Eiger North Face. It's more than just a flight; it's a once-in-a-lifetime adventure.

Please book online early so that everything can be organized. At least 3 participants are required for a flight to take place, so the earlier you book the more chance there is to fill the helicopter. If you would like a private flight, please get in touch with Swiss Helicopter.

Please reach out to Swiss Helicopter the day before your flight to confirm the booking:
