

Ready to push your limits? Jump from an incredible 18,000 feet (5,500 meters) with our HALO (High Altitude, Low Opening) Jump—one of the highest skydives in Europe and the only one of its kind in Switzerland.

This exclusive experience includes a private helicopter flight for one or two people, taking you on a 20-minute scenic ride from Interlaken to the Jungfrauoch and back. You'll fly over Grindelwald, glaciers, and the turquoise waters of Lake Brienz, all while using supplementary oxygen to prepare for the altitude.

At 5,500m (18,000 feet), it's time to jump. With your experienced instructor, you'll freefall for around 80 seconds, surrounded by jaw-dropping views of the Eiger, Mönch, and Jungfrau and the two glacial lakes far below. After the parachute opens, you'll have more time to take in the scenery during your decent to land on the outskirts of Interlaken.

This is the ultimate skydiving experience—complete with an included Ultimate Combo media package (video, photos, raw footage, and a highlight reel).
